We want 1,000 Subscribers for the Jackson County Sentinel. The Dearborn Independent a great weekly published by Henry Ford, wants 1,000 Subscribers in Jackson County. To get them we are going to give to the most popular lady, man, or child, a Ford touring car for their trouble. Who is the most popular lady, man or child in Jackson County will be decided by votes given with each subscription. The price of the two papers per year will be \$2.50. Cash must accompany all subscriptions. With each new or renewal subscription to these papers 1,000 votes will be given. The one securing the largest number of votes will be awarded the Automobile.

Other prizes are being figured on but the parties have not yet decided as to what the articles will be.

Contest will close when 1000 or more subscribers to the Sentinel and Dearborn Independent have been secured. Votes and subscriptions will be counted each Saturday, and on the Saturday that the 1000 or more subscribers have been reached the contest will be closed.

Diamond Squibs

The Little Rock club bought in order Art Ritter from the Atlanta club.

The fight in the Southern league is a hot one, and the clubs concerned are anything but friendly.

Glyde (Jenny) Wrenn has made the rounds in the Western association and is back with Okmulgee.

Angie Moran, veteran umpire, who has been in the South Atlantic league this season, has taken a vacation.

The Washington club has made another purchase from Tommy Leach's Chicago team. This one is Hankins, a pitcher.

James Russell Moore has been named manager of the Cairo team of the Kitz league, succeeding George Hughes.

Manager Harry Clark of the Milwaukee team says Nelson Potts is the best left-hander in the American association.

The Washington club, in answer to appeals from Joe Cantillon, turned pitcher Tom Phillips over to the Minneapolis club.

Pitcher Connie Fields of the Nashville club has retired from the game of the season and gone to his home in Arkansas.

Pitcher Lou Cowan of the Elmd team is going right again and setting a pace that is likely to get him another trial in foster company.

The veteran Jimmy Maloney resigned as manager of the Ardmore team of the Texas-Oklahoma and Alex Hoggus succeeds him.

Charles (Doc) Barrett, well known as college coach and trainer, has been signed by Connie Mack as a member of his scouting staff.

The Southern league claims the unique distinction of having two brothers as umpires on its staff. They are Buck and Bick Campbell.

Manager Lee Fohl of the St. Louis Browns is watching closely the work of one of his young southpaws, Frank Henry, now with Mobile.

Bunny Brief of Kansas City, in spite of time out for illness, has been keeping up with the champion home-run hitters of all leagues pretty well.

The veteran Jack Schenck, who moved from Mobile to Charleston, has made another shift and at last actually was pitching for Richmond in the Virginia league.

The Buffalo club has turned pitcher Tomlin and Weinecke over to the Hamilton club to help Ernest Calbert in his efforts to win the honors of the second base in the Min league.

ONE HONEST CATCHER

Talk about rather playing baseball than eating turkey. How is this?

On June 11, 1912, when Yazoo City was playing Columbus of the Cotton States league and the game had gotten as far as the second inning, the catcher of Columbus was hurt and there was no one to take his place. It was up to the catcher of the Yazoo City nine to catch for both teams. All the officials agreed. It was a double-header and both games went ten innings. This hero's name was Taylor. He worked manfully and energetically and although his own team won both games his picture never graced the rosters' gallery. This was an example that's good to pattern after.

SUPERIOR AS COLLEGE SPORT

Fred Clarke Says Baseball Trains Mind of Player and Develops Courage and Skill.

"Baseball should remain as a college sport as much as any other sport," said Fred Clarke, former manager of the Pittsburgh team recently. "There has been much talk in some circles as to whether baseball is not

Fred Clarke.

too much commercialized to make it a proper sport for colleges. I do not believe the game should be passed up in the college on any such score. Baseball is a scientific game. It trains the mind of the player, gives him self control and develops skill and courage. What more does any other sport do?"

"I knew him when he was a boy"

What one is there of us that has not felt the glow of satisfaction over the outstanding success of a life-long friend! Often a surprise—seemingly "all of a sudden." Yet neither surprising nor sudden, when you stop to think back over each step of his progress.

THE United States Rubber Company—makers of U. S. Royal Cord—were first to conceive, make and announce the balanced tire. A tire in which there is such complete unity of action in tread and carcass that neither will give way before the other.

First to conceive, make and announce a complete line of tires—a tire for every need of price and use under one standard of quality.

First to tell the public about the good and bad in tire-retailing. (You remember the phrase "Go to a legitimate dealer and get a legitimate tire.")

First also to arouse industrial and trade minds to the need of a new kind of tire competition. (Competition for better and better values. Greater and greater public confidence.)

THESE high spots along the U. S. road to leadership indicate the intent—the will to win by the quality route in a price market.

Now that so many car-owners have given their verdict for quality tires in general, and U. S. Tires in particular—a number of dealers and car-owners whose vision has been clouded by "discounts," "sales" and what not, are beginning to remember that they "knew him when he was a boy."
